- Each family photographed will receive a FREE family portrait and have the opportunity to select a portrait package to meet their needs.
- Approximately two weeks after your photography date you will be able to review your information for the directory and pick the pose that will be featured in the directory
- Purchases can be made via cash, personal check, Visa, Mastercard, and Discover
- If you recently took pictures, you may submit your own photo. Those will be placed in the directory in an "own photo" section. Copyrighted photos must have a release form from the company that produced the photo. This includes Military photos.
